

# Daily Interest Benefit

---

Earn daily profits, appreciate monthly,  
and achieve lifelong wealth.

## Activity Details

**There are no restrictions on account types to participate in this activity. Each Account can only apply for one activity.**

**To participate in this event, the following criteria must be met:**

The number of account transactions must reach the standard 2 lots, and the account balance must be greater than 5000 US dollars to apply for the participation in the event.

### **How to settle the account interest?**

The system will automatically screen out the qualified customers and calculate the interest of the stock funds, and the relevant departments will review and satisfy the conditions. Interest is paid on a case-by-case basis, The system will only account Monday to Friday on every Saturday and will be approved on Sunday. The weekly interest will be deposited on Monday.

**Note:** Daily interest calculation does not include Saturday and Sunday.

## Terms and Conditions

- Need to complete 2 standard lots per week, and account balance is greater than 5000 US Dollars in order to be eligible to maintain participation in the activity.
- If the weekly transaction is less than 2 standard lots, and the account balance is less than 5000 US Dollars, The payment of interest will be suspended next week.
- The platform will review the weekly account's new value and weekly lot size after the market closes on Friday to see if the account can maintain the eligibility to receive interest next week.
- The system will close at 0:00 platform time every day, and automatically make corresponding settlements, accumulating to Friday.
- Definition of valid trading lots; positions whose time interval between opening and closing positions is greater than or equal to 5 minutes and which meet the requirements for opening and closing positions during the event.  
**Note:** All hedging orders, that is, mutual reverse hedging orders within 5 minutes after opening a position will not be considered as valid trading lots.
- There is currently no deadline for the event, and Macro Group will announce it one month in advance if there is any deadline for the event.
- Macro Group Reserves the right to amend, suspend and terminate this activity and any related rules and regulations at any time and its right of interpretation.
